

November 2011 - Newsletter

The children have all settled well into Pre School life, as well as enjoying a few sessions of Infant Church in the reception class of St Loys School. We have taken some long walks around the village, played on the new play equipment in St Loys School Park and seen games enjoyed by the St Loys Juniors in the Playing Field.

There are still sessions available so please contact Nicky.

St Loys Pre School - Fundraising

Our fundraising calendar has been busy, thank you to all those who have supported our events thus far; the unwanted clothes collection raised a whopping £160! If you have any unwanted clothes please call Nicky who will come and collect any items you have.

The money these events raise will go towards buying new outside play equipment and maintaining the equipment we have for the children to use.

We will up date the fundraising total after the Christmas events in future news letter next year.

Pamper Evening -- Wednesday 9 November, St Loys School Hall –The evening starts at 7pm

Are you are interested in having an indulgent evening relaxing with a pamper treatment with a choice of drinks and nibbles?

If so call Judith through the Pre School to book your appointment. A single treatment is £15 or £28 for two treatments.

At the event there will be Charity Christmas Cards on sale and a Raffle.

Tea Dance – Thursday 8 December, Lois Weedon Village Hall -- starting at 2pm

After our successful tea dance on 22 September we have decided to hold another one.

It was a relaxing afternoon dancing or just listening to Christine Limb playing a variety dance tunes on the piano, followed by a full high tea and as much tea as you can drink!!

Come along and step out of everyday life into another world for a few hours.

We are not setting a ticket price but asking for a donation at the end of the afternoon.

There are only 30 places so call Judith through the Pre School to secure your seat.

We will also have a raffle.

Previous Fundraiser – The Music Afternoon.

By Judith Robbins.

It was one of the most interesting afternoons I have had the pleasure to listen to.

Michelle Koster, who kindly organised the event for the Pre School, and her friends not only played a whole range of little heard instruments but their choices of music were very entertaining.

The rendition, on the clarinet, of the “Flight of the Bumble Bee” was truly inspiring and I have to say I wanted to call out “more, more”!!

Sadly they are unable to come again, so if you were unable to come, you truly missed a very different entertainment.
